### School Mission Statement

At P.S. 5, we believe that every child is an "impending miracle" and have the ability to succeed. We are working together with the entire school community with a focus on literacy, math and problem solving skills across content, to create an environment in which children achieve standards. Students will demonstrate their knowledge and understanding to peers, staff and parents through writing, art, music, dance, sports and speaking in class presentations, celebrations, displaying student work on bulletin boards and in assembly sharings as well as on NYS standardized tests.

### Principal's Statement

PS 5 is striving to meet all children's creativity and all their emotional and academic needs. As your child's first teacher you play a very important role at home and in school. Please encourage your child to read, problem solve and write on a daily basis. Please have them arrive at school "Dressed for Success", prepared to work as we help them meet the challenges they will face in the future. We would like to invite you to spend time with us and offer your own expertise. Please see our PTA president Jacqueline Guzman and Parent Coordinator Dana Mercedes for workshops and information on volunteering.
