School Mission Statement

We envision Mother Hale Academy as a safe and caring community school in which all students attain standards of excellence through the focused and aligned efforts of school staff, families, and the students themselves. Our mission is to ensure that students attain the highest levels of social and academic achievement.

Principal's Statement

Mother Hale Academy is committed to addressing all aspects of human development. We establish practices that ensure the growth of the individual as a social, political, intellectual, and moral being. Mother Hale is dedicated to creating a learning community that collaborates to ensure equity and high standards.

Special Academic Programs

We believe that quality education presupposes small class size. For that reason, class size is capped at 20 in grades K-3, and 25 in grades 4 & 5. In addition to small class size, assessment driven intervention is provided to students through AIS, ESL, SETTS and our balanced literacy and mathematics program.
