### School Mission Statement

*Through the collaborative efforts of the P.S. 93 school community, our vision is to inspire, motivate, and instill within each student a desire to develop intellectually, socially, and emotionally to their greatest capacity. Our Robinhood Library has become a source of great inspiration to our school community. Research based activities, differentiated instruction and the writer's workshop have been the focus of our instruction. Our goal is to help each student make a positive and lasting contribution to the world in the 21st Century. We are committed to the development of the whole child. We are..."Committed To Excellence".*

### Principal's Statement

The P.S. 93 staff, students and parents are "Committed to Excellence" for the 2005-06 school year. Our literary environment will be enhanced by a Literacy Center which contains a wide variety of leveled books in all genres suitable for the range of reading abilities. Teachers use themed related books for shared, independent and guided reading. We are pleased to provide our school community with a Mathematics Resource Center and Mathematics Staff Developer who provides ongoing professional development and specialized instructional services. Ongoing staff development will enable staff to plan productively to meet the needs of all students.

### Community Support

We will continue our relationships with LEAP, Sports and Arts, Phipps Academy and Episcopalian services to support our children with extended day enrichment programs.

### Parent/School Support

The School Leadership Team has forged a collaborative relationship with our parent members.
