### School Mission Statement

*Our school's motto is, "Aiming For Excellence". Our mission is to create a literate, nurturing and safe learning environment that will maximize the potential of each student. We believe that children must be provided with meaningful and challenging learning experiences that encourage active participation and exploration in order to meet the New Performance Standards. We also seek to promote a learning environment that encourages love, respect, sharing, caring, honesty and the appreciation and acceptance of individual differences. Through the cooperation and involvement of school staff, parents, students and the community at large we will work together to promote and foster academic excellence. We want our students to become knowledgeable, ethical adults who are responsible members of their family, the business community and society.*

### Principal's Statement

As a school, we are committed to a high level of expectation for all our students. It is our expectation that all of our students meet the grade level standards. We support our students by providing academic intervention in reading and mathematics. Our teachers are held to high standards of professional knowledge and instructional implementation. We believe this can only take place within a safe environment. All parents are encouraged to participate in the educational lives of their children. Teachers and administrators are always available to meet with parents to ensure success for their children.

### Special Academic Programs

Academic Intervention Support is provided for all of our students. We offer this extra support during the early morning, lunch and after-school programs, as well as during the day.

### Extracurricular Activities

Extra-curriculum activities are provided once a week for grades 2-5. Character education sessions are facilitated by The Leadership Program. Ongoing cultural and art activities are promoted by Project Arts.

### Community Support

We are affiliated with the Rev. Dr. Martin Luther King Resource Center. Our students will take part in The Brother's Keepers Of Empowerment ceremony to acknowledge the achievements of the graduating 5th grade class.

### Parent/School Support

Parent workshops are facilitated by parents, teachers, and administrators to inform parents of academic standards and best practices for literacy and numeracy. The Parent Coordinator conducts parenting skills workshops, as well as works with the Parent Association.
