### School Mission Statement

*A deep rooted commitment and concerted effort by all members of The Academy of Future Technologies at Intermediate School 162 family, will be made to provide all of our students - English Language Learners, Special Education students and General Education students - with a safe, healthy environment, where students will be motivated, inspired and directed towards full participation in their own educational progress. We are committed to making the concepts of instructional excellence and high academic standards, the foundation upon which all learning is built. School Motto: Learning is the key to success - opening the doors to the 21st century where technology rules.*

### Principal's Statement

The Academy of Future Technologies at I. S. 162 is a Model Middle School composed of three schools within a school: The Institute of Computer Publishing & Multi-Media, The School of Computer Technology, and The Multicultural Academy of Computers & Community Service. All programs provide our students with a challenging academic program infused with technology. Our students are learning both Macintosh and PC computer platforms while working on integrated technology projects. Our supportive learning environment fosters hands-on learning and interdisciplinary curriculum. We offer accelerated courses and differentiated learning for all level students.

### Special Academic Programs

Institute of Publishing & Multi-Media students express themselves through literary & multimedia projects; the other academies infuse computer technology in all subjects; students' computer projects bring learning into the 21st century. Our Leadership Program prepares accelerated students for the best schools in the country.

### Extracurricular Activities

After school academic assistance/enrichment for all students & So. Bx. Comm. Corp. Sports program; Surfing the Internet; Computer Tech.; Sr. & Jr. Band; Step/Drill team; Art Portfolio Workshop; High School Prep Prog. Enrichment and remediation combine to provide a truly worthwhile program.

### Community Support

We had 20 partnerships, including: NASA Space Program, FAA, City College, Children's Creative Response to Conflict, Learning Through the Arts, and Teachers College; and these programs: Attendance Improvement Dropout Prevention and Scholarships/Donations. We have joined the DOE Empowerment Zone.

### Parent/School Support

Parent involvement is a focal point of all of our efforts. Parents are contributing members of our School Leadership Team and participate in orientations, team planning, professional development, and school functions.
