School Mission Statement

IN-Tech Academy is a comprehensive secondary school serving a 6th-12th grade population committed to initiating and implementing a program of study relevant for the twenty-first century. We presently serve grades 6 through 12. Our goal is to develop self-reliant, active learners who will become college-bound critical thinkers. IN-Tech Academy provides an inquiry-based curriculum that promotes understanding across all disciplines and encourages students to investigate as scientists, explorers, artists, researchers and humanists. It is a requirement that our high standards be met by all of our students so as to ensure their acceptance into the finest colleges. Our recently constructed state-of-the-art facility allows for wireless internet connection throughout the building. Our technology-rich curriculum allows for students to enhance their technology skills in all subject areas.

Principal's Statement

Our instructional policy provides for a rigorous program employing technology for all students. Students in grades 6-12 use all technological resources independently in all content areas. In grades 9-12, students are prepared for professional proficiency to succeed in higher education. Our curriculum pursues the integration of intellectual and CISCO technological endeavors. All students are expected to fully develop their skills in acquiring and incorporating knowledge in order to become critical and creative thinkers. We are committed to ensuring that every child receives an academically rigorous educational experience within all content areas.

Special Academic Programs

Our school features such special programs as Band, A+, CISCO, Web Design, Virtual Enterprise and Los Cubancheros.

Extracurricular Activities

Basketball, Baseball, Softball, Track, Volleyball, Robotics, Media Club, Meteorologists Club, MOUSE Squad, Web Squad, Nursing Home Volunteers, Great Books Club and Gardening Club.
