School Mission Statement

Mott Haven Village Preparatory High School offers the youth of the Bronx an opportunity to prepare for higher education in a small setting. This school provides a family-like atmosphere in which student needs receive immediate attention in order to foster student development and academic achievement. The faculty is involved in every aspect of school operation. This creates an atmosphere of clear communication, support and stability. We provide the students with opportunities to gain a valuable education and participate closely in their neighborhood. All of our students will be literate in speaking, reading, writing, and in the appropriate use of technology to communicate. They will become individual thinkers and risk takers who have built a solid civic competence necessary to make a positive impact in the community.

Principal's Statement

The average class size is 20 students. There is a block schedule of 50 and 100 minutes class time. 93% of the students pass all subjects.

All of the teachers are advisors; the students are divided into advisory groups of 16 or less students. They discuss issues that relate to their academic and social life. Advisory prepares the students to articulate their concerns, be proactive in seeking solutions, and work as a team in enhancing the culture of the school.

East Side House Settlement runs a College Preparation and Leadership Program during the school day and after school. PSAT, SAT, and internship workshops are given to all students.

Special Academic Programs

The students participate in an internship seminar, peer education, educational counseling (which includes local and overnight college trips), special events committee, writer's workshop, Humanities roundtable presentations, poetry jam sessions, and advisory projects.

Extracurricular Activities

The school has dance, writer's club, newsletter committee, special events workshop, peer mediation, computer class, and rap sessions. The campus offers art, dance, bike and nutrition club, and sports. Sports include soccer, softball, volleyball, indoor track, Junior Varsity volleyball and basketball, baseball and fitness.

Community Support

East Side House Settlement is the community based organization partnered with the school. The ESH College Preparation and Leadership Program is part of the school. ESH provides social workers, technology and grant writing support. The school has a partnership with Directions for Our Youth.

Parent/School Support

The school has a Parent-Teacher-Student Collaborative team that plans workshops, family activities, and curriculum events to celebrate the students and school community. Family trips and activities are planned for parents and their children to promote family bonding.
