School Mission Statement

New World High School has established a supportive learning environment for the diverse needs of recent immigrants. Students receive instruction in all subjects in English. Instruction in all classes is modified to support our students' language acquisition needs. Our small learning community supports all our students adjust to their new surroundings and helps them prepare for life after high school. Our curriculum links instruction across all disciplines to gain greater depth of knowledge. In Advisory classes, students receive life skills and additional academic, emotional, and social support from teachers who follow their academic progress. Our students' diverse backgrounds and life experiences are a resource that we share in celebrating our multicultural city, and in seeking to understand global issues. Our school has also become a home for our students' families as they adapt to life in the Bronx; parents participate in special events and activities.

Principal's Statement

Our staff is committed to provide our students the valuable education that they deserve. We enjoy a high level of success and respect from the community. A strong parent involvement, a high degree of appreciation for, and willingness to learn about each others' cultures makes NWHS a unique place where all feel welcome. We strive for excellence, and parents, staff, and students to reach the highest level of achievement. Our program will give our students the opportunity to learn necessary skills to succeed now and in the future. Together we help one another build strong relationships which lead to a community of leaders for the future.

Special Academic Programs

Academic achievement is enhanced through our afternoon tutoring classes, Saturday tutoring, SAT, and Regents Prep classes. We also offer a credit recovery program.

Extracurricular Activities

Our enrichment classes include: Robotics, Mock Trials, Computer, Music, Dance, and Art clubs. Cultural festivities are celebrated. We also enjoy our trips throughout NY State where students attend Broadway Shows, or picnic on the grounds of Vanderbilt Mansion. In addition to fun activities, we offer trips to various college campuses.

Community Support

Our extended community that impacts our instructional program includes: Princeton Review, R2DII through Regional Educational Center for Technology (RETC) at Fordham University, and WestEd which provides professional development workshops in ESL strategies for our teachers.

Parent/School Support

Parent involvement includes highly attended parent nights in which parents and staff gather to discuss strategies to improve student performance. Parent input and suggestions are valued and considered in order to meet student needs. Our School Leadership Team serves as our consulting body when making final decisions.
