School Mission Statement

The Bronx Little School is committed to creating a nurturing community of learners; an environment where students, parents and staff collaborate to promote the individual interests, strengths, and creativity of each student. Our mission is to teach respect for self and others in a multicultural campus. We strive to attain academic excellence and to develop citizens of a caring world community.

Principal's Statement

The Bronx Little School, located in the Monroe Educational Complex, was established in 1999. Bronx Little School has a culturally rich and diverse student population. Our small size enables us to know each child well and to differentiate instruction. All our teachers use a Balanced Literacy workshop model, and Every Day Math. Every classroom has a library to support daily independent reading. Teachers of our youngest learners are supported in literacy instruction by an AUSSIE consultant. Our English Language Learners are supported by an ESL teacher in class as they work toward English proficiency.

Special Academic Programs

Our full-time Art Teacher and Art Studio support integration of visual arts across all curriculum areas, a focus of our instructional program. Partnerships with New York Philharmonic and the 92nd Street Y bring music instruction into our classrooms.

Extracurricular Activities

"Building Bridges with Books" is an intergenerational program that forms partnerships of Bronx Little School students and Monroe Campus High School students for reading enrichment. The high school students are trained to read to and guide the reading of our students.

Community Support

Bronx/Queens Christian Community, Inc. offers after-school homework help, arts & crafts activities and games for students.

Parent/School Support

Our School Leadership Team meets monthly to discuss issues and share ideas that affect our school community. Our Parent Coordinator holds workshops for parents during the school day and after school. Our Parent Association meets monthly in the morning and evening. Learning Leaders assist our teachers and paraprofessionals throughout the school.
