

2005-2006 ANNUAL SCHOOL REPORT

District 75

P.S. 811

New York City Public Schools
Joel I. Klein, Chancellor

Age Level of Students: 13 to 21

School Mission Statement

At PS. 811X, it is our philosophy that all children have a boundless capacity for learning. We assert that all children are entitled to an appropriate, authentic, and stimulating learning experience that will maximize their quality of life. We are committed to establishing our school as a beacon of leadership in our community through sound educational practices that will foster the greatest level of independence and community integration for all of our students. We are a special education school with programs that serve students with a wide range of physical and cognitive disabilities. We provide services for students with autism, learning disabilities, mental retardation, emotional disturbances and also for students with multiple disabilities. We adhere to an educational model that is founded upon a rigorous functional academic curriculum while acting as consummate advocates for our students and families.

Principal's Statement

PS 811X is located in one building located in Region 2/Community District 12. We serve over 600 students ranging in ages from 13-21 years. To meet the educational needs of this varied population, the staffing ratios for our classes are 12:1:4, 6:1:1, 8:1:1 and 12:1:1. We have two inclusion classes at Bronx High School for Visual Arts.

Two major accomplishments, celebrated this year at 811X included 1) an increase of instructional time by 60 minutes due to school-wide bussing schedules and 2) forming a specific "house" for the autistic population that implements the "TEACCH" methodology in all 6:1:1/8:1:1 classes.

Special Curriculum Programs

PS 811X has a variety of extra curricular programs that support our instructional initiatives. In September of 2005 we adopted a Positive Behavior Supports Program to initiate a school wide behavior management system. In addition, we have multiple in house work study programs to prepare our students for outside vocational opportunities.

Community Support

Students and staff at PS 811X are involved with our community through an array of venues. Whether we are providing partnerships through YAI or AHRC, completing service learning projects and/or establishing new work site partnerships, community relationships are at the forefront of ensuring success for our students.

Parent/School Support

At PS 811X our parent community is involved with many programs at our school. Every Tuesday our parents meet with the parent coordinator for a weekly activity whether it be fundraising or volunteering in classrooms, knitting, sculpting and/or painting to name a few. This provides parents an opportunity to come together in a leisurely manner.

STATE AND CITY TEST RESULTS IN ENGLISH LANGUAGE ARTS (ELA)

New York State and New York City adopted new assessments in 1998-99 to measure students' achievement of new, higher standards. The City ELA test is administered to students in Grades 3,5,6, and 7 and the New York State ELA is administered to students in Grades 4 and 8. Last year, in order to facilitate comparisons of scores from 2002 through 2004, 7th grade scores were excluded for all three years since the Department of Education and its test publisher agreed that the 2002 results for 7th graders should not be used. This year, 7th grade scores are included for all three years since this report does not include 2002 results.
