

**NYC School Survey
2011-2012 Report**

Principal Deborah Evans
School Type District 75
School DBN 75K004

Dear Members of the School Community,

This report tells you what parents, teachers, and students said about learning conditions at your school in our annual survey. This information is designed to support a dialogue among all members of the school community on how to make the school a better place for learning.

Taking the time to reflect on how well we serve children is an important step in improving our schools. I encourage schools to plan opportunities to discuss these survey results with the school community, and integrate this feedback into preparation for the school's Comprehensive Education Plan and Quality Review.

Dennis M. Walcott
Chancellor

What do the colors mean?

These colors indicate how the survey satisfaction scores at this school compare to the satisfaction scores of all District 75 schools this year. Green indicates scores above the average, gray indicates average, and red indicates scores below the average.

This year, constituents generally reported high levels of satisfaction across the City. Therefore, it is possible to have positive survey responses and be below average compared to other schools. Readers should consider the survey responses in this report both on their own and in the context of responses from other schools.
