The NYC School Progress Report informs families about the school's strengths and weaknesses, emphasizing how far students have come in the past year. Progress Report grades are made up of three sections: student progress, student performance, and school environment. In each section, your school's results are compared to the results of other schools serving similar students. To view your school's Progress Report in detail, visit the Progress Report website at:

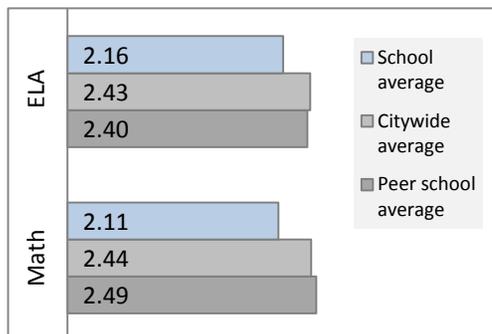

<http://schools.nyc.gov/Accountability/tools/report/default.htm>

Overall Progress Report Grade

N/A out of 100 points

How well did students in this school do on this year's state exams?

ELA

In 2013, 23K493's average score on the English State exam was 2.16. This was lower than the average overall citywide test score for Middle schools in 2013. Compared to other schools in the city serving students with similar characteristics, 23K493's average score was statistically similar.

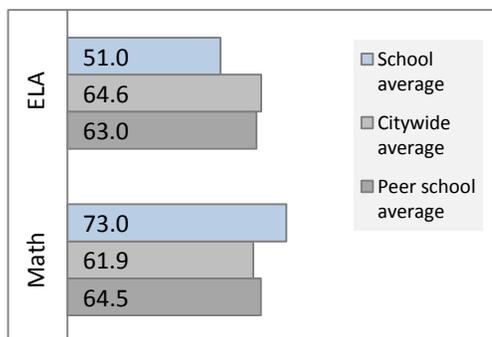

Mathematics

In 2013, 23K493's average score on the Math State exam was 2.11. This was lower than the average overall citywide test score for Middle schools in 2013. Compared to other schools in the city serving students with similar characteristics, 23K493's average score was statistically lower.

In recent years, New York State has adopted the Common Core Learning Standards. To learn more about the Common Core standards, ask your child's teacher or visit our Common Core Library online at:

<http://schools.nyc.gov/Academics/CommonCoreLibrary/ForFamilies/default.htm>

How much did students in this school improve compared to other schools in the city?

In order to answer this question, we looked at how much schools helped improve their students' test scores from year to year by comparing students who received similar test scores the previous year.

ELA

Students from 23K493 improved less than other students citywide who received similar scores the prior year. Compared to students from schools serving similar populations, the students from 23K493 improved less from 2012 to 2013.

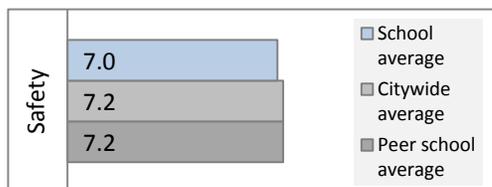

Mathematics

Students from 23K493 improved more than other students citywide who received similar scores the prior year. Compared to students from schools serving similar populations, the students from 23K493 improved more from 2012 to 2013.

How safe is this school?

The NYC School Survey is one of the largest surveys of any kind conducted nationally. This year nearly a million responses were collected. The survey collects responses from parents, teachers and students in grades 6-12.

For questions pertaining to safety and respect, Brooklyn Collegiate: A College Board School scored similar to other schools in the city. Compared to schools serving similar populations, Brooklyn Collegiate: A College Board School scored similarly.

For more detailed information on the NYC School Survey Report, including what questions were asked and a citywide report of the survey responses, visit the NYC Survey website at:

<http://schools.nyc.gov/Accountability/tools/survey/default.htm>

How can I learn more about my student's academic performance?

You can keep track of your child's daily attendance, schedule, and test scores on ARIS Parent Link at www.arisparentlink.org. ARIS Parent Link is available in ten languages and has information about ways to support your child in school. Contact the parent coordinator at your child's school if you have questions about logging on or need your password.

To contact your school's principal or parent coordinator, call the main office. You can reach this school's main office by calling 718-922-1145.
