The NYC School Progress Report informs families about the school's strengths and weaknesses, emphasizing how far students have come in the past year. Progress Report grades are made up of several sections: student progress, student performance, and school environment. In each section, your school's results are compared to the results of other schools serving similar students and to all schools citywide. To view your school's Progress Report in detail, visit the Progress Report website at:

<http://schools.nyc.gov/Accountability/tools/report/default.htm>

Overall Progress Report Grade

N/A

N/A out of 100 points

What is the graduation rate of this school?

Four year Graduation Rate

Four year graduation rate for High School for Energy and Technology is currently not available.

Six year Graduation Rate

Six year graduation rate for High School for Energy and Technology is currently not available.

In recent years, New York State adopted the Common Core Learning Standards, raising the bar for all students and setting the expectation that students will graduate ready for college and career. To learn more about the Common Core standards, visit our Common Core Library online at:

<http://schools.nyc.gov/Academics/CommonCoreLibrary/ForFamilies/default.htm>

How well did this school prepare its students for college?

To answer this question, we looked at the percentage of students who entered high school in September of 2007 and who graduated and met the Regents exam, SAT and/or course standards for passing out of remedial coursework at CUNY by August 2013. We also included students who enrolled and persisted in college through the beginning of their third semester.

College Readiness Rate (including persistence)

This metric is currently not available for High School for Energy and Technology.

To learn more about how the College Readiness Rate is measured, visit the Progress Report website and download the Progress Report Educator's Guide at:

<http://schools.nyc.gov/Accountability/tools/report/default.htm>

How safe is this school?

The NYC School Survey is one of the largest surveys of any kind conducted nationally. This year nearly a million responses were collected. The survey collects responses from parents, teachers and students in grades 6-12.

For questions pertaining to safety and respect, High School for Energy and Technology scored higher than other schools in the city. Compared to schools serving similar populations, High School for Energy and Technology scored higher.

For more detailed information on the NYC School Survey Report, including what questions were asked and a citywide report of the survey responses, visit the NYC School Survey website at:

<http://schools.nyc.gov/Accountability/tools/survey/default.htm>

How can I learn more about my student's academic performance?

You can keep track of your child's daily attendance, schedule, and test scores on ARIS Parent Link at www.arisparentlink.org. ARIS Parent Link is available in ten languages and has information about ways to support your child in school. Contact the parent coordinator at your child's school if you have questions about logging on or need your password.

To contact your school's principal or parent coordinator, call the main office. You can reach this school's main office by calling 718-733-3080.
