### School Overview

Our mission is to create an environment that fosters responsible, creative students who take ownership of their academic achievements. Academics at Seth Low integrate music, dance, graphic arts, and international studies through core courses in Math, Science, Social Studies, and ELA. The CCL Standards come to life as students participate in debates, build bridges, conduct laboratory experiments, and publish articles and cartoons for our school newspaper. Seth Low has three themed learning academies. Sixth graders enter the Exploratory Academy, and Grade 7 and 8 students can choose from one of our two themed learning academies; Health Careers and Sports Managements (HCSM) or Math, Engineering, Technology, and Architecture (META). Technology is infused in all classrooms through the use of SMART Boards, laptops, and computer-based programs such as iLearn and Classroom Inc. ...
