School Overview

The mission of the School of Business, Finance and Entrepreneurship is to provide all students with the essential skills for future academic, business, and professional endeavors. The school emphasizes the business aspect of learning, especially as it relates to budgeting, financing, and advertising. We use innovative techniques to enhance lifelong learning through technology, multiple intelligences, varied instructional strategies, and interdisciplinary units. Our goal is to maintain an active partnership involving students, teachers, staff, parents, and community to develop a love for learning while embracing our diversity and unique talents in a safe, challenging, respectful, and supportive environment. As a community, we strive together for excellence, unlocking the full potential of each individual, developing confident independent learners.
