Framework for Great Schools

Research shows that schools strong in the six areas are far more likely to improve student learning.

KEY:

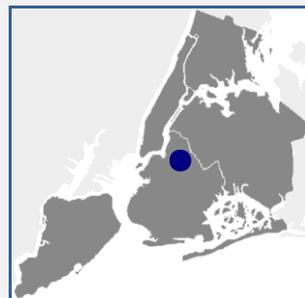

School Overview

Our goal is to strive for excellence by providing all children with a high quality education, which includes a rigorous curriculum in all content areas. Our school is a safe environment where learning is engaging every day, scholars feel supported, and teachers collaborate to ensure that we are closing all achievement gaps. Scholars receive instruction through blended learning in all content areas. We prepare our scholars for college and career readiness by incorporating high school and college tours throughout the school year.
