Framework for Great Schools

Research shows that schools strong in the six areas are far more likely to improve student learning.

KEY:

School Overview

Our students like how they are involved in the school decision-making process as members of the Student Cabinet. Students enjoy numerous extracurricular activities. They enjoy the personal attention that they receive from teachers in the school. Parents appreciate our strong core curriculum and our willingness to involve them as partners in their child's education. In addition, parents appreciate our after-school remediation program as well as our after-school enrichment programs.
