### School Overview

As a 6-12 school, we believe that middle school is the foundation for high school and college success. In class, students are academically challenged, reading high level texts and engaging in critical thinking. We also believe that middle school is a time to teach students the habits necessary for academic success such as organization and time management. Over the last eight years we have created a strong culture that emphasizes order and structure, rigor and learning, community and positivity. We are partnered with NIA and offer a variety of after school activities. Our teachers are accessible, and we have small class sizes and give individual attention to our students. We excite our students about learning, reading, and exploring the world. We offer mobile iPads, laptops, SMART Boards, and wireless internet. We encourage our students to continue at UASCJ through high school.
