School Overview

East Side Middle is an academically successful, nurturing community. Our teachers help our students better understand the world in which they live so they can act upon that knowledge to make that world a better place. With authenticity as our goal, we teach our students to develop the habits of mind of the disciplines they study. They learn to evaluate and weigh evidence and critique arguments in the disciplines they study. In all their subjects they are reminded of the real world connections and are often assessed with real world problems and simulations. Teachers and staff know students individually and address their students' specific needs in all grades. ...
