### School Overview

Students love our one-to-one laptop and technology-rich environment. Students are empowered to be active participants in their own learning and engage with teachers who guide them to meet and exceed the Common Core Standards. Students use GoogleApps to manage their work and communicate with teachers and peers through project-based learning experiences that build independence, nurture creativity, and challenge students to think critically and analytically. Families value our student-centered community, personalized learning experiences, arts partnerships and accelerated ELA and math enrichment programs. They love the dedication of our highly qualified teachers who collaborate to plan meaningful classroom experiences. Parents appreciate the many opportunities to be involved in the academic and social lives of their children through workshops, special events, student-led conferences, science fairs, and portfolio exhibitions. ...
