School Overview

Students appreciate our teachers' energy and enthusiasm for the subjects they teach, as well as their accessibility. Teachers are always happy to provide additional support in academics or to help students work through problems. Students also enjoy opportunities to engage in hands-on science investigations and a problem-based curriculum. Students at P.S. / I.S. 276 have the opportunity to build leadership through participation in sports teams, student government, and community service. Students can graduate with distinction in Academics, Service, Arts, and Athletics. Parents appreciate the values we place on building traditional academic and critical thinking skills as important tools in acquiring information and communicating understandings with a larger audience. Our curriculum integrates learning about a range of issues and providing students with a structured forum for taking action to make the world a better place for all. ...
