### School Overview

I.S. 59 prepares all students to read, write, compute, speak well, and behave in socially acceptable ways in order to become independent members of society. The students participate in enrichment programs such as Project-Based Learning, Regents classes in math and science, Project Arts (performing arts academic connection), and an after-school and summer program with the YMCA. Many of our parents are active participants in the Learning Leaders Program sponsored by the DOE and in Adult-Learning Computer Classes. We use TeacherEase, a web-based communication system to inform our parents of their child's successes. Parent voice is important and valued at I.S. 59. Our students have the highest acceptance rate in the NYC area for the Legal Outreach Program. Selected 8th grade students participate in the school's partnership with North Shore/LIJ for extended science instruction. ...
