School Overview

Knowledge and Power Preparatory Academy VI (KAPPA VI) is located in the beautiful Far Rockaway campus. Principal Gary DuMornay is on hand to welcome his students to this public school, modeled after the Air Force philosophy of leadership training. Students, who are called cadets, wear a formal uniform and each class, called a squadron, is named after a NASA space mission, such as Apollo, Odyssey, and Endeavor. Our school's aim is to be an "Ivy League Middle School Academy," with a long-term goal of preparing students for college. The debate team competes in the citywide competition. Math is a point of pride at KAPPA VI, and the school's math team competes in citywide math competitions and has done very well at recent events. Our students are encouraged to take the Specialized High School Admissions Test. ...
