School Overview

The Wade Academies (M.S. 117) is the only middle school in District 9 that has its original name from its inception in 1937. Our Wade Team members work hard to provide our students with a rigorous, standards-based curriculum. We have strong community partnerships that allow us to provide additional resources to our students, including trips outside of New York. Our major goal is to ensure that we develop the whole child. We strive to ensure that our students develop and grow academically, physically, and socially.
