J.H.S. 118 William W. Niles (10X118)

Framework for Great Schools

Research shows that schools strong in the six areas are far more likely to improve student learning.

School Overview

In School Year 2015-16, the William W. Niles School, M.S. 118, is divided into three academies: PACE Academy, Spectrum Academy and the Academy of Excellence. This design allows staff and students to benefit from the advantages of smaller learning communities inside a larger building. As a large school, we are able to offer more types of electives, enrichment, and major partnerships that support college and career readiness. Because we have smaller academies, we are able to offer a personalized experience for all students with smaller teacher teams, a new 2015-16 Advisory program, a variety of celebrations and parent engagement activities, and dedicated teachers and counselors who know and connect with their students. M.S. 118 students succeed in high school: 89% are on track to graduate after 9th grade, outperforming both the City and District 10 on average. ...
