Framework for Great Schools

Research shows that schools strong in the six areas are far more likely to improve student learning.

KEY:

School Overview

We offer an academically rigorous and innovative program stressing high standards of performance, study, and discipline. The Academy Program emphasizes analytical thinking skills, communication skills, and independent research. All students participate in high performance-based academic core concentrations in both Mathematics and Literacy through extended blocks of time. Within a framework of academic and interdisciplinary richness, students explore a curriculum emphasizing the arts.
