School Overview

Students benefit from our technology program which features three computer labs, SMART Boards in all classrooms, trips to Google and New York's Silicon Alley, MOUSE Squad, and student technology teams. In addition, the school is part of the DOE Software Engineering Pilot, allowing students to learn coding, robotics, HTML, and many other programs. Parents love our innovative technology and finance programs where students are immersed in a schoolwide economy with School Bucks, financial courses, school jobs, a school bank, and a school store. One third of our students participate in our Dual Language Program, where students receive instruction in Spanish in their content areas. We are expanding to serve students in grades 6-12. The school has been featured in The New York Times, the New York Daily News, the Wall Street Journal, NY1 News, and the NY Post for its innovative programs. ...
