School Overview

One World is a small school committed to understanding our students in order to teach them. We are dedicated to creating a respectful environment where diversity is celebrated and individuals learn and flourish by developing character, intellect, wellness, and a desire for lifelong learning. We enhance our learning by celebrating success, and acknowledging student and teacher accomplishments. All students will graduate with the ability to be a personal leader, a community activist and an ambassador of change. Similar to the United Nations charter, all cultures are celebrated at One World Middle School; real issues are discussed and we provide an ongoing platform for dialogue. Leaders, activists, and ambassadors have a common thread in that they communicate clearly and appropriately for the audience and message. ...
