### School Overview

The staff at VOYAGES South (Viable Option for Young Adults to Grow, Excel, and Succeed) understands and appreciates that the traditional high school is not right for everyone. As such, we have created a small transfer school to serve as an option for students to continue in the pursuit of their educational goals. Our school serves students who are over-aged and under-credited and have been unsuccessful in their previous high schools. VOYAGES South will build upon the unique talents and strengths of each student and provide every student the support needed to maximize their individual academic, emotional and social potentials. Our students will leave us with the knowledge and skills necessary to secure a successful and satisfying post-secondary education and career.

The 2014-15 Snapshots, which are the first release of these reports for Transfer High Schools, do not include section ratings. For future releases, beginning with the 2015-16 Snapshots, these reports will include section ratings.
