School Overview

Founded in 1980, Bronx Regional High School serves students, primarily from the Bronx, in a full diploma-granting academic program for grades 10-12. Bronx Regional is a place where young people and staff work together as a caring and nurturing community and explore a variety of educational experiences. We apply an enthusiasm for knowledge, a commitment to the environment and social change and an openness for inquiry to our curriculum. Our approach results in the increased self-esteem and the empowerment necessary to make future educational, career and personal decisions which will help to create a better, more just world.

The 2014-15 Snapshots, which are the first release of these reports for Transfer High Schools, do not include section ratings. For future releases, beginning with the 2015-16 Snapshots, these reports will include section ratings.
