#### KEY:

### School Overview

At Park Slope Collegiate we are committed to creating and maintaining a diverse and integrated student body and faculty. We believe that students learn best in a heterogeneous environment where they can compare what they think with the knowledge of adult scholars as well as with that of their classmates. Students learn to read, write and think critically, to agree and to disagree and to develop new knowledge and ideas by engaging with others. We partner with the CUNY PERC program to prepare peer tutors to work alongside teachers in Algebra, Living Environment, and Chemistry classes. A unique partnership with the Atlantic Theater Company (ATC) allows students in every grade to work with their English teachers and ATC teaching artists to explore voice and perspective through a combination of writing and theater workshops. ...
