## Expeditionary Learning School For Community Leaders (21K572)

### Framework for Great Schools

Research shows that schools strong in the six areas are far more likely to improve student learning.

#### KEY:

### School Overview

We are a small school that emphasizes creating effective leaders in our communities while providing a challenging academic program. Through hands-on learning in the classroom and throughout NYC's diverse neighborhoods, our students solve real-world problems. Our students have the unique opportunity to experience a five-day Outward Bound wilderness course and, as they become leaders, bring what they learn back to their families and their communities. Students demonstrate their college readiness through Performance Based Assessments (PBATs) in-depth research projects and written analyses that they defend before a panel. PBATs allow students to pursue knowledge in deep and meaningful ways.
