### School Overview

Located a block away from the Queens Botanical Garden, East-West is focused on preparing students for college and career. In a supportive environment upheld by our four pillars of Honor, Excellence, Curiosity and Celebration, students engage in a rigorous academic program of Regents, Advanced Placement (AP), and CUNY College Now courses. Our students can become highly proficient in Chinese, Korean or Japanese. In addition to a college-bound academic program, we offer a robust after-school club culture supported by an active student government. We promote a positive environment by encouraging acts of kindness through a nationwide anti-bullying program. We cultivate parent partnerships through monthly PTA meetings on evenings or weekends. Grades, transcripts, and progress reports are readily available to parents online through PupilPath. All seniors attend daily college preparatory courses, and can take onsite Kaplan SAT prep courses.
