School Overview

The Pan American International High School is a diverse learning community of recently-immigrated English Language Learners (ELLs). Our primary focus is English language development; at the same time, we provide opportunities to enrich students' Spanish language skills. Students learn about Latin American themes and topics which are integrated into both classroom learning and community service projects. The Puentes Program, a partnership with the Latin American Integration Center, cultivates the leadership skills of students in their communities through service learning projects and internships. We are committed to creating an environment that values students' cultures, native languages, and individual differences, while preparing them for success as they navigate a changing world.
