School Overview

Leadership Institute is a small community-based high school founded by youth and educators at Sistas and Brothas United, the youth affiliate of the Northwest Bronx Community and Clergy Coalition. Through partnerships, the school trains youth to be leaders who take charge of their schools and communities. Yearly Community Action Projects give students the skills they need to take action in their communities. A focus on social justice helps students understand their rights in a fair, democratic society. We prepare students for the college and career of their choice through an excellent education.
