## Collegiate Institute For Math And Science (11X288)

### Framework for Great Schools

Research shows that schools strong in the six areas are far more likely to improve student learning.

#### KEY:

### School Overview

Our program is designed to focus on math and science education. Each student is required to study: four years of math, including Pre-Calculus and Advanced Placement (AP) Calculus, four years of science, AP Spanish, and four years of Social Studies and English including AP English Literature and Composition and U.S History. Students will be offered opportunities for off-site internships, and to earn college level credits. We strive to provide the best academic and extracurricular programs in accordance with higher education standards to develop high-performing, ambitious, and successful student leaders.
