School Overview

Knowledge and Power Preparatory Academy (KAPPA) International High School is an International Baccalaureate (IB) World School that offers the IB Diploma to all juniors and seniors. Scholars who earn the IB Diploma can receive up to two years of college credit. IB scholars are required to complete a minimum of 150 hours of community service and write a 4,000-word senior research paper on a topic of their choice. All scholars are required to participate in multiple experiential learning opportunities (ELOs), as well as an advisory program which provides support in social, emotional learning and college and career planning. KAPPA scholars, families, and teachers work together to maintain a community that is committed to a challenging program, an internationally-minded education, and mastery-based learning. To complement classroom learning, scholars are offered the opportunity to travel internationally every year.
