School Overview

Our school, in the Throggs Neck section of the Northeast Bronx, combines the curricular and extracurricular diversity of a large comprehensive high school with the supports and resources of smaller theme-based academies. Each of our students receives a personalized, nurturing educational experience within the theme-based academies, each of which heavily emphasizes both college and career readiness and social and emotional growth. Each academy has an assistant principal, teachers, guidance counselors, and support staff who are dedicated to improving student performance. Our current academies include the Technology Academy, Law and Public Service Academy, and the Anne Hutchinson Academy for Engineering (a screened program).
