School Overview

Our school couples relevant internship experiences with rigorous academic learning. Students learn to be prompt, prepared, positive, and productive and strive to embody our core principles as they develop responsibility, teamwork, and the resiliency needed to enter college and to exceed academic and industry-based standards. We provide our students small class size, advisory, internships, and quality college and career readiness instruction and training to ensure that 100% of students graduate prepared for college and careers. There is a strong culture that mirrors college and employment where students respect teachers, work hard, and arrive on time. We ensure that each student is cognitively engaged, fully valued, and fully heard.
