School Overview

What parents like best about our school are the open door policy, frequent communication, on-line grade book, free after-school program, academic rigor, high expectations for all students, excellent safety record, small class size, and advisory program. What our students like best are the feeling of safety, the fact that adults know every student's name, our well-prepared teachers, wide variety of after-school programs, one-to-one laptop program, the camping trips we take every year, the Broadway show they see every year, and the NBA Mentoring program.

Framework for Great Schools

Research shows that schools strong in the six areas are far more likely to improve student learning.
