School Overview

The Urban Assembly School for Criminal Justice (UASCJ) is an all-girls school that prepares students for college and the world of work, teaching them the content and skills necessary for future success. We help develop the work habits and study skills that promote academic achievement. Students are also encouraged to participate in the many after-school and extracurricular activities we offer as they are integral to future educational and work success. As an all-girls school, our students are part of a tight-knit, diverse community and they benefit greatly from our small size and unique personal attention.
