Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2014 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards:

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
 All of our students receive visual arts instruction twice a week in an Art Studio that is rich with resources. Students are introduced to a variety of art materials and modalities and are encouraged to use their imagination when creating artwork. In addition, this year we partnered with Studio in a School. Both Studio and Elm Tree made a commitment to provide the funds, facilities, materials, schedules, and training that enable art-making to become an ongoing part of the curriculum. Students at Elm Tree receive one period per week of Theater Arts. Our Theatre Arts program gives our students the opportunity to express themselves through active participation in performances such as singing, dancing and theater. Elm Tree Elementary School is an All Star Move-to-Improve school! All of our staff members have been trained and certified in Move-to-Improve, which is a series of activities and dance movements that are incorporated into the classroom as well as during Yoga once each week.
