Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2014 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards:

### New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

## School's Arts Program Description

**This school has submitted the following description of its arts program:**  
 We provide arts integration within the Pre K - 5 curriculum. Both classroom teachers and certified art teacher provide experiences for students to use the arts as a catalyst for learning. Through collaboration and articulation, teachers create performance tasks culminating in involving the multiple content disciplines. New opportunities from grant writing has allowed art to be a content area of learning in the after school program with Bronx Dance Theater. Students learn the dance steps for both ballet and jazz. Our many partnerships with other organization has helped us strengthen and maintain our focus on the arts. Organizations include: American Ballroom Dancing, NY Botanical Garden, Young People's Chorus, LEAP, Bronx Arts Ensemble and Ballet Hispanico.
