Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2014 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards:

### New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

## School's Arts Program Description

### This school has submitted the following description of its arts program:

PS 176X is a district 75 program serving students with Autism Spectrum Disorder. Through the art mediums such as music, modern dance, hip hop, photography, yoga, ballet, students enhance their language, self direction, social skills, reading and life skills as well as performance skills. Aside from projects based in literacy, the school has developed several performing arts groups such as a school chorus, keyboard, three drum lines and a dance troupe. Our school has received an "EASE Grant" where artists in residence work with classes. In addition, we participate in a district sponsored yoga program entitled Get Ready to Learn. Students participate in monthly assemblies during which they perform or attend performances that help facilitate a positive school culture for students, parents and staff. We have also introduced l pads as part of our band groups. The arts provide a pathway to learning that connects the common core learning standards and the NYCDOE Blueprints for the Arts.
