Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2015 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards:

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:

Public School 34 offers its students many diverse learning opportunities in the arts. Students participate in Visual Arts classes and study the history and techniques of classic and contemporary artists. In the 2014-2015 school year, P.S. 34 opened an art room dedicated to visual arts instruction. Through the hard work and dedication of parents, funds were raised to outfit and supply an art room. Students study the elements of art while also applying their knowledge in drawing, collage, painting and other media. For the past ten years, we have had partnerships with the Brooklyn Conservatory of Music and the American Ballroom Theater. Kindergarten and first grade classes participate in music classes, while third grade study recorders. Fifth grade classes engage in a program of ballroom dancing. In addition, students have dance classes with Williamsburg Movement and Art Center. Our school was awarded a prestigious grant from Disney to stage a production of Aladdin. Students engaged with teaching artists and attended the Broadway production Of Aladdin. P.S 34's art program celebrates student work by holding an annual Art Show. In addition, the students participate in an Art Parade-a culminating event in which students create a piece of wearable art based on the work of an artist studied. Student work is showcased at area businesses, including the local Dunkin' Donuts, which has a dedicated gallery of P.S. 34's work.
