Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2015 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards:

### New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

## School's Arts Program Description

### This school has submitted the following description of its arts program:

P.S. 115 provides arts instruction in all disciplines utilizing certified arts staff in three of the four disciplines. We participate in and provide professional development in each art and across curriculum areas that support the Common Core Standards. We have established new partnerships with Marquis Studio, Metropolitan Opera, and renewed our relationship with Studio in the Schools. Students participate in art, glee, recorder, dance, and theater clubs. We have regular school wide performances by our students, with collaborative showcases in the winter and spring. We are producing Disney's "Annie". All classes attend events throughout the city with a variety of cultural organizations. Our art students go out into the community and participate in a wide range of performances and competitions. Students provide community service in the arts at local nursing homes. Grades K-4 have a Spring Dance Festival and the entire school has an Arts Fair and Carnival in June. There are regular parent/family workshops and Saturday Arts residencies that showcase the arts. These allow families to experience the arts with their children.
