Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2015 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards:

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:

P.S./I.S. 229K serves children in Pre-k through Grade 8. Visual arts students are empowered with experiences that challenge, build knowledge, and skills in the use of the various tools, techniques and intellectual methods of creating art. Early childhood students learn about the elements of music that include singing, using instruments, and movement, incorporating the Kodaly and other methodologies. Upper grades have an opportunity to join the school band, string orchestra, jazz ensemble, and chorus, including a partnership with Carnegie Hall. The Saturday Theatre @229K provides children an opportunity to participate in performance, set design, stage crew and lighting. After-school community-based organizations provide additional access to dance, music, theatre, and the visual arts. Our goal is to provide a sequentially standards-based arts education, building an appreciation of various cultures, connections to other disciplines, participation in NYC cultural institutions, and preparation for a possible career in the arts.
