Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2015 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards:

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:

MS 167 offers visual and theater arts, instrumental/general music, and chorus. These programs provide opportunities for students to participate in exhibits, performances, and trips to many arts institutions. Band members participate in band five times a week. Additionally, band students participate in concerts as well as borough-wide band shows and performances at Carnegie Hall. Non-band students participate in a rotating program of theater and visual arts, general music and chorus. The visual and theater arts students follow the NYC Blueprint for the Arts and an alignment to the Common Core Standards. Students in chorus and general music learn various genres of music, music history, and music technology. Activities in the theater and visual arts program include but are not limited to art studio, drama club, museum club, dance performances, lunch art clubs and a Spring Arts Festival and trips to live shows such as Phantom of the Opera and Something Rotten. Wagner proudly puts on a musical for our entire school community. Students were offered tickets to 8-10 performances at the Teatro Sea, a bi-lingual theater company. They were also brought to two Family Outings through Urban Advantage, to the AMNH and the Bronx Zoo.
