Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2015 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards:

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
 For the 2014-2015 school year, P.S. 199Q has had arts partnerships with New York City Ballet, Creative Music Programs, New York City Children's Theatre and Asase Yaa Entertainment Group. Our partnership with NYCB provided a dance residency for twenty three classes. Creative Music Programs provided arts residencies for eleven classes, focusing on music. This school year we continued our partnership with New York City Children's Theater in the form of theater residencies for sixteen classes. Twenty seven classes were able to participate in theatrical performances provided by New York City Children's Theater. A partnership with Asasa Yaa Entertainment Group provided a musical performance for our fifth grade classes. Funding supports direct services to students, planning and/or professional development for school staff, materials and supplies, curriculum resources, arts and cultural services, performances, admissions to performances, etc. For the 2014-2015 school year, P.S. 199Q was awarded funding after applying for the "Arts for English Language Learners and Students with Disabilities" Arts Grant. This enabled eleven classes to participate in a theater residency with New York City Children's Theater. Our goal is to continue our arts partnerships for the 2015-2016 school year.
