Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2015 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards:

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

This year we have provided visual art and drama to our students by our certified art and drama teachers. All grades with the exception of kindergarten, received two 10 week residencies; fifth grades received one 20 week residency and one 30 week residency. Our kindergarten and first grades received a percussion residency. In addition, first grade received a storytelling residency. Our second grades and fourth grades received a song writing residency. In addition, second grades received a recorder residency. Our third grades received drama through Theater Moves and a world dance residency. Through this residency they learned how to work as a team. Our bilingual and ESL students in fourth and fifth grades received an art residency through Puppetry in Practice. Fourth grades participated in an African dance residency, which will result in a culminating performance. Our fifth graders have continued to work with Dreamyard, where they participate in poetry slam competitions with other schools in the district via video-conferencing.
